There was no time for the children to hide--their young faith would now be put to the test . . .

Dear Christian Friend,

When the secret police burst into the illegal Sunday school class in China, they found more than 30 frightened children.

These boys and girls had gathered at a house church because they these

Dear Friend,

I have been aware of the ministry of Open Doors since the mid-1970s.

It has been my observation that this organization represents a unique and courageous style of ministry, all the while modeling uncompromising integrity, strong vision, and incredible faith.

We who are free to worship and serve our Lord must never forget those who are not. Open Doors is a splendid organization that has, for more than five decades, provided unselfish leadership in ministry to those around the world who suffer for their faith in Jesus Christ.
